QUARTERLY TAPE:
TMI MEMBERS PREVEW LATEST METAMUSIC ARTIST RELEASES

The third of our METAMUSIC Samplers, METAMUSIC ARTIST SERIES Sampler Il, is designed to provide you a pleasurable listening experience as well as information about our five new tides. On side one, audio engineer Mark Certo offers commentary on each composer and composition, to help you make informed selections, along with an excerpt from each fide. Side two features excerpts only - creating a unique MUTAMUSIC medley. We wish you happy listening!
